Brody Neighborhood

The Brody Neighborhood is located on the west side of campus just north of the Red Cedar River. Brody is comprised of six residence halls that surround Brody Hall, where many of the neighborhood's common services, including Brody Square Dining Hall, are located. It also houses the Brody Neighborhood Engagement Center, which houses academic, health and wellness, intercultural and residential services. All residence halls in the Brody Neighborhood feature community-style bathrooms and all halls are co-ed by wing. The halls also feature the largest student rooms on campus and parking just outside of the buildings. Brody is located close to the Spartan athletic facilities and the Breslin Student Events Center. Fitness centers are located in Armstrong, Bailey, Bryan, Butterfield and Rather Halls.

Halls:

- **Armstrong**
- **Bailey**
- **Bryan**
- **Butterfield**
- **Emmons**
- **Rather**

ARMSTRONG HALL

Armstrong Hall is located in the southwest corner of the Brody Neighborhood. Armstrong Hall opened in 1956 and is named for W. G. Armstrong who was a former student, farmer and member of the MSU Board of Trustees. Armstrong Hall was recently renovated and reopened in fall 2013. Common spaces were completely redone to include group and private study areas, project rooms, a meditation area, gaming areas and a fitness center. Community bathrooms were completely redone and a new community kitchen was installed. The laundry area was also completely redone with brand new energy-efficient appliances. In addition, the renovations provided new windows, light fixtures, paint and flooring in the hall.

STUDENT ROOM FEATURES	
Room Types	Single, Double

Closest Engagement Center	Brody Hall (Brody Neighborhood Engagement Center)

BAILEY HALL

Bailey Hall is located in the southwest corner of the Brody Neighborhood. It was recently renovated and features new study rooms, game rooms, offices and meeting spaces on each of the four floors. The third floor is home to the community laundry room and kitchen. Bailey Hall opened during the 1956-57 school year and is named after Liberty Hyde Bailey (class of 1882). A professor of horticulture, Bailey planned the first horticulture laboratory building in the nation. Bailey Hall is home to the Residential Initiative for the Study of the Environment (RISE) living-learning community and the Bailey GREENhouse. The RISE program is for MSU students interested in stewardship of the environment. RISE provides students a community and curriculum focused on the environment as students get their feet wet and hands dirty applying their knowledge to real problems and projects. Incoming freshman can live in Bailey Hall on designated floors with other RISE students, which promotes strong relationships among them.

BRYAN HALL

Bryan Hall is located on the northwest corner of the Brody Neighborhood. Bryan Hall opened in 1954 and is named after Claude Bryan of the College of Veterinary Medicine, who also designed the Vet Med Building on campus. Bryan Hall was recently renovated and reopened in fall 2013. Common spaces were completely redone to include group and private study areas, project rooms, a meditation area, gaming areas and a fitness center. Community bathrooms were completely redone and a new community kitchen was installed. The laundry area was also completely redone, with brand new energy-efficient appliances.

RATHER HALL

Rather Hall is located in the northwest corner of Brody Neighborhood. The hall is named for Howard C. Rather (class of 1917) and boasted the most modern conveniences for its residents in the country when it opened. An addition to Rather Hall was constructed in 1962. The hall is home to the Charles Drew Science Enrichment Laboratory program's living-learning community, which provides academic and social support for high achieving students pursuing science and math degrees, including individuals interested in professional health and science careers (medicine, veterinary medicine, dentistry, research, pharmacology, optometry, physical therapy and public health). Rather Hall is renovated, is now a LEED certified building, and includes a fitness center, community kitchen and game room.

South Neighborhood

South Neighborhood is located southwest of Spartan Stadium between West Shaw Lane and Trowbridge Road. It is near the Breslin Center, Munn Ice Arena, IM Sports West, and outdoor tennis facilities. The South Neighborhood is made up of four residence halls, Case, Wonders, Holden and Wilson Halls, which feature co-ed floors and suite-style rooms. South Neighborhood Engagement Center is located in Holden Hall, which includes the student health clinic, math and other course tutoring, writing assistance, academic advisors, a computer lab with printing services, individual and group study spaces, MRULE and much more. Holden Hall also houses a state of the art fitness studio. A cardio room is available in Wonders and Holden Halls, which is also free for residents. The South Neighborhood also contains James Madison College in Case Hall and the Engineering Core Experience First Year Program in Wilson Hall.

Halls:

- **Case**
- **Holden**
- **Wilson**
- **Wonders**

CASE HALL

Case Hall is located in the South Neighborhood. Built in 1961, it was named for Albert and Sarah Case. Sarah was an MSU instructor and Albert was the 1901 State Agricultural College football captain, earning his bachelor's degree in 1902. He made contributions to MSU upon graduation. Case Hall is home to the James Madison College and the Honors College living-learning experience.

North Neighborhood

North Neighborhood combines what were formerly known as Red Cedar and West Circle. It includes Mason/Abbot and Snyder/Phillips halls, just north of the Red Cedar River and Campbell, Gilchrist, Landon, Mayo, Williams and Yakeley halls situated along Michigan and Grand River Avenues on what was MSU's original campus. North Neighborhood Halls are the oldest residence halls on campus and feature traditional collegiate-style architecture. Fitness centers are located in Snyder and Yakeley halls, and the North Neighborhood Engagement Center is located in the MSU Union. The Residential College in the Arts and Humanities is located in the North Neighborhood as well, occupying Snyder and Phillips Halls.

Halls:

North – MASP

- **Abbot**
- **Mason**
- **Phillips**
- **Snyder**

North – West Circle

- **Campbell**
- **Gilchrist**
- **Landon**
- **Mayo**
- **Williams**
- **Yakeley**

MASON/ABBOT HALLS

Abbot Hall is located near Grand River Avenue in the North Neighborhood. Abbot Hall is a traditional, ivy-covered, collegiate Gothic-style building with beautiful wood ornamentation and decorative plaster details It was built in 1939 and was named for Theophilus Abbot, president of MSU from 1862 – 1884. This hall boasted the first college-operated dining room. Abbot Hall features Honors College living-learning options.

Mason Hall is located in the North Neighborhood. Mason Hall is a traditional, ivy-covered, collegiate Gothic-style building with beautiful wood ornamentation and decorative plaster details. Named for Stevens T. Mason, the first governor of Michigan, Mason was the newest men's hall in 30 years when it opened in 1938. Mason Hall has an Honors College living-learning option.

SNYDER/PHILLIPS HALLS

Snyder Hall is part of the North Neighborhood and is located near Grand River Avenue. The hall was built in 1947 and is named after former MSU President Jonathan L. Snyder (1896 –1914). Snyder Hall offers living-learning options for the Honors College and Arts and Humanities College. A fitness center, theater for performing arts, art studio, music practice rooms, a language proficiency center and an art gallery are located in Snyder Hall.

Phillips Hall is part of the North Neighborhood and was built in 1947. The hall is named for T. Glenn Phillips, MSU class of 1902, who developed the master plan for the growth of the campus in the 1930s and 1940s. Phillips Hall offers living-learning options for the Honors College and Arts and Humanities College. A theater for performing arts, art studio, music practice rooms, a language proficiency center and an art gallery are located in Phillips Hall.

YAKELEY/GILCHRIST HALLS

Yakeley Hall is part of the North Neighborhood and is located near Grand River Avenue. It was built in 1948 and was named after Elida Yakeley, who was the secretary to President Snyder from 1903 to 1908. Elida Yakeley became the first registrar, a position she held for 30 years. In Yakeley Hall, both music and Honors College living-learning options are offered. A fitness center is located in Yakeley Hall.

Gilchrist Hall is part of the North Neighborhood. Built in 1948, the hall is named for Maude Gilchrist, who was a graduate of Michigan Agricultural College (former name of MSU) and was the dean of the Woman's Department. Under her leadership, music, art and literature were equally important to domestic science. In Gilchrist Hall, both music and Honors College living-learning options are offered.

East Neighborhood

East Neighborhood is on the northeast side of campus near the intersection of Hagadorn and Shaw Roads. It is located near IM East, the Wharton Center for Performing Arts and the Business College Complex. East Neighborhood is comprised of three residence halls, each of which features a unique dining hall. All residence halls in East Neighborhood have suite-style bathrooms. Hubbard Hall features the Sparty's Cafe, which offers convenience items as well as hot and cold made-to-order coffee and beverages, and even cooked-to-order items. Fitness centers are located in Akers, Holmes, and Hubbard halls, and the East Neighborhood Engagement Center is located in Hubbard Hall, where students can find academic advisors, math tutors, Writing Center tutors, and a health clinic and exercise classes.

Halls:

- **Akers**
- **Holmes**
- **Hubbard**

AKERS HALL

Akers Hall is located in the East Neighborhood and was built in 1964 and is named after Forest H. Akers, an MSU student from the early 1900s. Residents in Akers enjoy a unique housing style that features two-bedroom suites with a separate living/study area and a bathroom shared only by suite occupants.

STUDENT ROOM FEATURES	
Room Types	Single, Double, Quad (four beds and full bath in one large room), Apartments
Bathroom Style	Suite (except Quad rooms have bathroom in room)

Closest CATA Stop	West side of building
Closest Engagement Center	Hubbard Hall (East Neighborhood Engagement Center)

Other Items of Note:

- Unique configuration of rooms provides apartment-like feel with separate sleeping and living quarters.
- Akers has 20 apartments.

HOLMES HALL

Holmes Hall is located in the East Neighborhood and is the largest residence hall on campus. The hall opened in 1965 and is named for John C. Holmes, a Detroit horticulturalist. He was instrumental in the creation of a separate college of agriculture in Michigan. Holmes Hall is home to the classrooms, laboratories and faculty/administrative offices of Lyman Briggs College. The hall also offers a living-learning option for Lyman Briggs and Honors College students.

Other Items of Note:

- Hubbard is 12 stories high and is the tallest structure on campus after the power plant stacks.

River Trail Neighborhood

River Trail Neighborhood is located along the south bank of the Red Cedar River on Shaw Lane. The River Trail Neighborhood includes McDonel Hall, Shaw Hall, Owen Graduate Hall and Van Hoosen Apartments. The River Trail Engagement Center is located in McDonel Hall. Here you will find the engagement center staff, student health clinic, math and other course tutoring, writing assistance, academic advisors, a computer lab with printing services, individual and group study spaces, the Residential Business Program, MRULE and much more! We are located near the Business College Complex, the MSU College of Law, the College of Veterinary Medicine, IM East and the Wharton Center for Performing Arts. The fitness center for River Trail is located in Shaw Hall and exercise classes are held in McDonel Hall. Enjoy wonderful dining with views of the river at The Vista in Shaw or Riverwalk Market in Owen, or grab a snack or cup of hot tea at the Sparty's Refresh in McDonel. The River Trail team is eager and ready to assist you!

Halls:

- **McDonel**
- **Owen**
- **Shaw**
- **Van Hoosen Apartments**

MCDONEL HALL

McDonel Hall is located in River Trail Neighborhood. It was opened in 1963 and named for Irma and Karl McDonel. Karl was secretary to the State Board of Agriculture (now the MSU Board of Trustees). McDonel Hall provides optimal housing for returning students, transfer students and those wanting a quiet, more mature atmosphere. It is also the home of the living-learning community for the Residential Business Program.
